Welcome Back: We are all so happy that you have come back to us with smiling faces. A few of our students have left us but a few more are now new and we welcome them.

Professional Development:

We would like to thank our two wonderful professional Development guests Mr. Vincent Ventura, and Mrs. Virginia Rojas who have been training our faculty this week. We truly value their contributions and hope that they visit us again in the near future to continue aiding us in delivering the best program possible to our students.

Master Plan: Perkins Eastman, the architectural firm who will be working with us to develop our master facilities plan will be here on campus. They will be speaking with all community members to get input. For parents, there will be a meeting on Thursday, January 14 at 8:00am in the multi-purpose room. I hope to see you there.

Board Meeting: Our next board meeting will be held on January 18 at 6:00pm in the Upper School Library Conference room. Our community members are invited!
