

ICSA Friday Flash

Back to School Nights: There are two again this year; one for the lower school (Wednesday) and one for the upper school (Thursday). Please remember, this is an opportunity for you to hear from your children's teachers. Please keep your children at home so the evening can proceed as planned.

Half Day: We will have an early release day on the 28th (Wednesday). Please make sure transportation is arranged for your children for noon.

PTO – [Here](#) is a link to the PTO newsletter that contains information about a book sale, the UN Day, and their next general meeting.

First Tuition Due: Please, if you make a tuition deposit into our Bank of America account, send us and email with proof of payment so we can track it more efficiently as the bank does not always include your name or your company's name.

School Open on Weekends: As a community school, the green facilities are open on the weekends to students accompanied by their parents. Please bring proper ID.

Yearbooks: For those who ordered one, these will be distributed on Monday.

Master Plan: The architect was here last week working with us to continue developing the concept plan of the gym. Actually, at this stage, it is not only a gym as it is meant to include spaces for music, theater, and conferences. Perhaps more creative people have better naming ideas:

- Sports and Culture Center (SCC)...*
- Athletics and Community Center (ACC)...*
- Community Center (CC)...*
- Arts and Sports Center (ASC)...*

Please send me your thoughts! We have begun talking to builders so we know approximations on cost per square meter. We have also begun talking with surveyors, soil testers, etc. If everything moves as planned, we should break ground in April!

Nationalities: Did you know we have 62 nationalities on the ICSA campus? We are getting ready for UN Day already!

UPCOMING DATES

SEPTEMBER
