Lower School Career Day: **Thank you** to all those who participated in our lower school career day this week. We had 23 professionals gave wonderful presentations and we received positive feedback after the event as students shared with their peers. We appreciate your time.

Above: Christian Boa and Ahmed Coulibaly from Cooly's Shoe Making Company share their merchandises including shoe fabrics with KG students.

Open your Home; Become a WAISAL Host:

The largest soccer tournament of the year will be held from **April 5-9** here at ICSA. We need our ICSA families to host over 150 student athletes!

Hosting allows costs to stay low when we travel as we did when we went to Nigeria and Burkina Faso this year. It also gives an opportunity for our children to make friends that could last a life time.

All the information regarding details and expectations for host families is included [here](#). We need you to make this tournament a success - we actually cannot do it without you.

We urge families interested in becoming a host family to please fill out this **FORM** before **March 8**.
